

HEALTHY  
LEARNING  
TRUST

**Julie**

**Hazeldine**

**CEO**

Julie has 18 years' experience in Secondary School Leadership in 3 schools. She has a successfully delivered school improvement, raised academic standards in a challenging context, supported curriculum development, and is skilled in school HR and leadership systems and structures. The exam results at FGS have risen from 39% 5+ including English and Maths in 2007 to 74% 5+ including English and Maths in 2015.

Her role includes responsibility for safeguarding, SEN, marketing and communications, financial management, multi-agency working

and is a national and regional lead on CSE/Complex safeguarding.

FGS is the flagship and lead school for the trust where Julie remains the Headteacher since her appointment in 2007. FGS is known for its innovative and effective health and well-being curriculum and for using the ethos of sport to raise attainment.

Julie's combination of experiences and responsibilities makes her an ideal CEO of the trust and support our vision to work closely with key partners to deliver 'scholarship through health and well-being'

**Current responsibilities** -Chief Executive Officer of the Healthy Learning Trust

Responsibilities include:

- Developing FGS as the flagship school building capacity and sustainability to enable FGS to support underperforming schools
- Development and growth of the Trust
- Development of the Healthy Learning Trust curriculum and offer to schools

- Development of the HLT Education Consultancy Service including school improvement
- Development and growth of the HLT School Sport Partnership which currently has 28 primary schools
- Developing FGS as the model school for delivering career pathways through partnerships with Health Education England and the NHS.

Julie is well qualified to deliver these responsibilities. She is a national ambassador for the Youth Sport Trust and in embedding using sport and PE to raise attainment.

As FGS Principal she is skilled in school leadership and staff development and has demonstrated impressive levels of school improvement and transformation.

She also brings a sound background and knowledge of HR, SEN provision safeguarding, teaching and learning, performance and attainment, delivery of a successful health and wellbeing curriculum and community engagement.

Headteacher at Flixton Girls School 2007 to present – in the early days of the Healthy Learning Multi-Academy Trust Julie remains the headteacher whilst establishing the role of CEO.
